

## FORGET

V1

**Dm** **F** **C**  
Sometimes I think I'm not that strong  
**Dm** **F** **A#**  
But there's a force that carries me on  
**Dm** **F** **C**  
Sick of my small heart, made of steel  
**Dm** **F** **A#**  
Sick of those wounds that never heal

PRE

**Dm** **C** **F** **A#**  
Cause I have lived my life in debt  
**Dm** **C** **F** **A#**  
I've spent my days in deep regret  
**Dm** **C** **F** **A#**  
Yeah I been living in the red  
**Dm** **C** **F** **A#**  
Oh, cause I can't forgive and I can't forget  
**G**  
Forget...

CHORUS

**Dm - C - F**  
Forget,  
**Gm - Dm - C**  
forget,  
**F - C - Dm**  
forget,  
**Gm - Dm - C**  
forget  
**Gm**  
Ain't no time for regret  
**C**  
Yeah, it's time to forget

V2

**Dm** **F** **C**  
Ever since I can remember  
**Dm** **F** **A#**  
Life was like a tipping scale  
**Dm** **F** **C**  
Like an abacus I played with  
**Dm** **F** **G**  
Counting every win and fail

PRE

**Dm** **C** **F** **A#**  
Cause I have lived my life in debt  
**Dm** **C** **F** **A#**  
I've spent my days in deep regret  
**Dm** **C** **F** **A#**  
Yeah I been living in the red  
**Dm** **C** **F** **A#**  
Oh, cause I can't forgive and I can't forget

CHORUS

**Dm - C - F**  
Forget,  
**Gm - Dm - C**  
forget,  
**F - C - Dm**  
forget,  
**Gm - Dm - C**  
forget  
**Gm**  
Ain't no time for regret  
**C**  
Yeah, it's time...

M8

**A#**  
To be letting go  
**C**  
Oh baby you know  
**Dm** **F**  
What I'm talking about  
**A#** **C**  
Got nothing to lose and nothing to prove  
**Dm** **F**  
Oh baby, I'm bowing out  
**G** **A#**  
Out, I'm bowing out

BREAKDOWN

**Dm** **C** **F** **A#**  
Yeah, I've been dancing with the devil  
**Dm** **C** **F** **A#**  
I love that he pretends to care  
**Dm** **C** **F** **A#**  
If I'll ever get to heaven  
**Dm** **C** **F** **A#**  
When a million dollars gets you there  
**Dm** **C** **F** **A#**  
Oh, all the time that I have wasted  
**Dm** **C** **F** **A#**  
Chasing rabbits down a hole  
**Dm** **C** **F** **A#**  
When I was born to be the tortoise  
**Dm** **C** **F** **A#**  
I was born to walk alone  
**Dm** **C** **F** **A#**  
Forget about it  
**Dm** **C** **F** **A#**  
Forget about it  
**Dm** **C** **F** **A#**  
Forget about it

CHORUS

**Dm - C - F**  
Forget,  
**Gm - Dm - C**  
forget,  
**F - C - Dm**  
forget,  
**Gm - Dm - C**  
forget  
**Gm**  
Ain't no time for regret

OUTRO

**Dm** **C** **F** **A#**  
I'm gonna leave the past behind  
**Dm** **C** **F** **A#**  
I've had enough, I'm breaking free  
**Dm** **C** **F** **A#**  
No pressing stop, erase, rewind  
**Dm** **C** **F** **A#**  
That chain of thought that followed me  
**Dm** **C** **F** **A#**  
I've put my money where my mouth is  
**Dm** **C** **F** **A#**  
For the first time in my life  
**Dm** **C** **F** **A#**  
I've made mistakes but I believe that  
**Dm** **C** **F** **A#**  
Everything was worth the fight  
**Dm** **C** **F** **A#**  
Cause in the end, the road is long  
**Dm** **C** **F** **A#**  
But only cause it makes you strong  
**Dm** **C** **F** **A#**  
It's filled with peaks & twists & turns  
**Dm** **C** **F** **A#** **Dm**  
Sometimes you have to learn to forget about it
